

Terms and Conditions

Last updated: 05.10.2026

1. Introduction

1.1. Your participation in receiving 1w Token (“**Company**”, “**we**”, or “**us**”) and using the 1w Token website (“**Website**”) in any way is subject to these Terms and Conditions (“**Terms**”).

1.2. By contributing digital assets to the sale pool, purchasing, receiving and/or using 1w Token and/or using the Website, you agree to be bound by these Terms and all terms incorporated by reference. If you do not agree with any of the terms or conditions set forth herein, you should not contribute digital assets to the sale pool, purchase, receive and/or use 1w Token or engage in any activity associated with it.

1.3. By contributing digital assets to the sale pool, purchasing, receiving and/or using 1w Token, you acknowledge that your interest lies solely in the functional utility of 1w Token.

1.4. You acknowledge that, while the Company will make reasonable efforts to maintain and expand 1w Token, unforeseen technical, regulatory, or commercial challenges could occur. As a result, 1w Token may become partially or entirely unusable or lose its value.

1.5. You understand that 1w Token could be discontinued, or shut down due to regulatory changes, lack of interest, or other reasons. All risks associated with your participation, including the total loss of contributed assets or the 1w Token’s value, are assumed by you.

1.6. Nothing in these Terms creates any partnership, joint venture, or similar relationship between you and the Company.

1.7. To contribute digital assets to the sale pool, purchase, receive and/or use 1w Token or engage in any activity associated with it you must be of legal age and possess the legal capacity to hold and use digital assets in your jurisdiction of residence.

1.8. Due to the legal, technical and other reasons, the following persons and entities are not permitted to use the Website or participate in any services, including contributing to the 1w Token sale pool or acquiring, holding or using 1w Token:

(a) residents or citizens of, or entities incorporated or registered in, jurisdictions where the 1w platform is fully or partially restricted, blocked or unavailable, including but not limited to: Australia and its territories, Austria, Afghanistan, Belgium, the United Kingdom and its territories, Germany, Denmark, Iraq, Iran, Spain and its territories, Kazakhstan, Cyprus, China, Curaçao, Lithuania, Liechtenstein, Malta, Myanmar, the Netherlands and its territories, Portugal, Saudi Arabia, North Korea, Serbia, Singapore, Syria, Sudan, the United States and all its territories, France and its territories, Switzerland, Sweden, and South Sudan; and

(b) any person or entity located in a jurisdiction where the acquisition, holding or use of 1w Token is prohibited by applicable law.

The Company has the rights to amend that list without any prior notification.

1.9. Nevertheless, it is your responsibility to ensure that contributing digital assets to the sale pool, purchasing, receiving and/or using 1w Token is legally permitted for you. We do not bear any liability for any illegal use of services of the Website. If it is determined that you lack legal capacity or are underage, any 1w Tokens allocated to you may be deemed null and void.

1.10. You are encouraged to review these Terms regularly, as the Company reserves the right to modify them at any time. Any updates will be communicated through official channels, such as the Website, email communications, or official social media channels (e.g., Telegram). Continued contributing digital assets to the sale pool, purchasing, receiving and/or use of 1w Token after modifications will constitute acceptance of the revised Terms.

2. 1w Token description

2.1. Overview

2.1.1. The 1w Token is a utility token created and issued by the Company. The 1w Token's primary purpose is to enable access to certain features, functionalities, and services within the 1w ecosystem. It is designed solely for use within this ecosystem and has no function, purpose, or application outside of it.

2.1.2. For questions regarding the permitted uses and functionalities of the 1w Token, you may contact our customer support team.

2.2. Limitations and restrictions

2.2.1. The 1w Token is a utility token only, designed exclusively for use within the 1w ecosystem.

2.2.2. 1w Token does not represent any share, equity interest, security, debt instrument, or right to dividends or future earnings.

2.2.3. Holding the 1w Token does not grant governance rights, ownership rights, or any entitlement to participate in the profits or assets of the Company.

2.2.4. You should not expect, and there is no guarantee, representation, or promise, of any future profit, increase in value, or financial return from holding 1w Token.

2.2.5. 1w Token is not an investment. Acquisition or holding of the 1w Token should not be interpreted as an opportunity for investment, speculation, or profit-making.

2.2.6. 1w Token should not be acquired for speculative or investment purposes, but solely for its intended use as a functional digital asset within the 1w ecosystem.

3. 1w Token sale and delivery terms

3.1. General parameters

3.1.1. The total supply of 1w Token available for sale under these Terms is 130 million tokens. 1w Token will be delivered on the Solana blockchain. Only non-custodial Web3 wallets compatible with Solana are supported for participation in the sale and receipt of 1w Tokens.

3.1.2. The sale will remain open for two weeks. The opening and closing dates and times, including the applicable time zone, will be specified on the Website before the sale begins. Participation is subject to the eligibility requirements and restrictions in section 1.

3.2. 1w Token sale process

3.2.1. The 1w Token sale is conducted directly through the official 1w Token landing page. The process is designed to be simple and accessible, with the following steps:

- connection of wallet: you connect a non-custodial Web3 wallet compatible with Solana to the landing page. No account registration is required;
- selection of contribution amount: you specify the amount of USDC you wish to contribute to the sale pool. You do not select or reserve a specific number of 1w Tokens;
- contribution: you transfer USDC on the Solana blockchain to the sale pool as instructed on the landing page;
- confirmation: a confirmation will be displayed once your contribution has been successfully received. This confirmation records your contribution only and does not confirm a final allocation of 1w Tokens;
- allocation and settlement: after the sale closes, your allocation of 1w Tokens and any unused USDC to be returned to you will be determined in accordance with clauses 3.3 and 3.6.

3.3. 1w Token allocation and delivery

3.3.1. Your final allocation of 1w Tokens will be determined after the sale closes. You choose the amount of USDC to contribute, not the number of 1w Tokens to receive. Once your allocation has been determined, the allocated 1w Tokens will be delivered to your participating wallet on the Solana blockchain, subject to clauses 3.3.2 and 3.3.3.

3.3.2. The Company intends to carry out the delivery of 1w Tokens in a timely manner; however, you should acknowledge that delays may occur. Such delays may result from, but are not limited to:

- compliance or regulatory requirements;
- high demand or transaction volume leading to network congestion;
- technical malfunctions or unforeseen issues;
- external factors beyond the Company's control, including disruptions in blockchain networks.

3.3.3. In the event of any delay, the Company will provide updates through the Website or other official communication channels. Nevertheless, you accept the inherent risks associated with potential delays, including fluctuations in the value of the 1w Token.

3.3.4. Your contribution is the total USDC successfully received from your participating wallet during the sale and accepted under these Terms, excluding network fees and separately charged fees.

3.3.5. If total eligible contributions exceed the amount required to purchase all 1w Tokens available for sale at the sale price, the available 1w Tokens will be allocated among eligible participants in proportion to their contributions. Only the USDC required to pay for your allocated 1w Tokens at the sale price will be used. Any unused USDC will be returned under clause 3.6.2.

3.3.6. If the sale is not oversubscribed, your contribution will be used to acquire 1w Tokens at the sale price displayed on the Website in accordance with clause 3.7. Any unallocated 1w Tokens will be treated under clause 3.5.1. All allocations will be rounded down to the smallest supported unit of 1w Token, and any resulting unused USDC will be returned under clause 3.6.2.

3.4. Other Methods of Receiving 1w Tokens

3.4.1. If you wish to learn about additional ways to receive 1w Token, please contact our customer support team.

3.5. Unsold 1w Tokens

3.5.1. Any 1w Tokens that remain unallocated at the conclusion of the 1w Token sale will be automatically burned, reducing the overall circulating supply.

3.6. Finality of allocation and return of unused USDC

3.6.1. Contributions cannot be withdrawn or cancelled at your request, and final 1w Token allocations are non-reversible, except as required by applicable law or provided in this section. Any other refund is at the Company's sole discretion.

3.6.2. Any USDC not used to acquire your final allocation of 1w Tokens will be returned to your participating wallet. The return process and timing will be specified on the Website before you contribute.

3.6.3. If the Company cancels the sale, any USDC paid for 1w Tokens that will not be delivered will be returned.

3.7. 1w Token pricing and contribution methods

3.7.1. The sale price will be displayed on the Website before the sale begins and will remain fixed throughout the sale. Contributions are accepted in USDC on the Solana blockchain. Your contribution does not guarantee a particular allocation or that the full amount will be used to acquire 1w Tokens.

3.7.2. The minimum contribution will be specified on the Website before the sale begins. The minimum contribution does not guarantee a minimum allocation.

3.7.3. Your final allocation will be determined after the sale closes. Any allocation displayed before then is an estimate and may change. The sale price does not guarantee the future market value of 1w Token.

3.7.4. You are responsible for network fees and any Company fees disclosed on the Website before you confirm your contribution. Fees do not count towards your allocation. Any deduction of Company fees from unused USDC must also be disclosed before your contribution and permitted by applicable law.

4. Risks and Disclaimers

4.1. General acknowledgment

4.1.1. By obtaining 1w Token, you acknowledge and accept that the use of blockchain-based assets involves significant risks. These include, but are not limited to, market volatility, technological vulnerabilities, operational disruptions, and changes in legal or regulatory frameworks. You understand that such risks may result in a partial or complete loss of the 1w Tokens' value.

4.2. No guarantee of value or functionality

4.2.1. The Company makes no promises that 1w Token will hold its value, be tradable on secondary markets, or function as intended across the ecosystem. 1w Tokens are provided on an "as is" basis, without warranties of any kind, whether explicit or implied.

4.3. Market and liquidity risks

4.3.1. The price of digital assets is highly volatile. There is no assurance that a secondary market for 1w Token will exist, and the 1w Token may lose all value if demand decreases or the ecosystem does not gain traction.

4.3.2. Your share of the sale pool may decrease as other participants contribute additional USDC. Accordingly, any indicative allocation during the sale may decrease before the sale closes. You acknowledge that part of your contribution may remain unused and become returnable under clause 3.6.2, and that you may be unable to access that amount pending settlement. The Company does not guarantee any particular allocation before the final calculation under clause 3.3.

4.4. Regulatory risks

4.4.1. The regulatory environment for digital assets continues to evolve rapidly. Future legislation, court rulings, or enforcement actions may restrict, modify, or prohibit the issuance, transfer, or use of 1w Token. Compliance with such changes may require adjustments that could delay, limit, or suspend the operation of the 1w Token.

4.5. Technological and security risks

4.5.1. Blockchain technologies remain experimental and may contain flaws. Potential risks include:

- software bugs, vulnerabilities, or malfunctions;
- hacks, theft, or other malicious attacks targeting smart contracts, wallets, or connected platforms;
- failures in multi-chain operations or bridging mechanisms between supported blockchains.

4.5.2. While the Company will make reasonable efforts to maintain a secure environment, it cannot guarantee absolute protection from these risks.

4.6. Responsibility for wallet security

4.6.1. You are solely responsible for securing access to your wallet and private keys. Loss of credentials, use of incompatible wallets, or mistakes in providing wallet addresses may result in the permanent loss of 1w Tokens. The Company is not liable for such losses.

4.7. Risk of suspension or discontinuation

4.7.1. The Company reserves the right to suspend, modify, or discontinue aspects of the 1w Token if necessary. Reasons may include technical challenges, lack of adoption, strategic decisions, or external legal and regulatory pressures. In such cases, you accept that the 1w Token may become partially or entirely unusable.

4.8. Force majeure

4.8.1. The Company shall not be held responsible for delays, interruptions, or failures caused by events beyond its control, including but not limited to natural disasters, technological failures, governmental actions, or network disruptions.

4.9. Acceptance of risks

4.9.1. By engaging with 1w Token, you confirm that you have read and understood this section, and voluntarily assume all risks associated with holding and using the 1w Token.

5. Taxation

5.1. You acknowledge and agree that you are solely responsible for evaluating, reporting, and paying any taxes that may arise from acquiring, holding, transferring, or using 1w Token in accordance with the laws of your jurisdiction.

5.2. By participating in the 1w Token sale, you confirm that the Company and its affiliates shall not be held liable for:

- any tax obligations or liabilities that may apply to you, or
- any failure on your part to determine, report, or satisfy such obligations.

6. No legal advice

6.1. All information made available by the Company in connection with the 1w Token is provided solely for general informational purposes. Nothing contained on the Website, in these Terms, or in any related communications should be interpreted as legal, financial, investment, or tax advice.

6.2. You are solely responsible for seeking independent advice from qualified professionals, including lawyers, tax consultants, or financial advisors, before making any decisions related to acquiring, holding, or using 1w Token.

7. Limitation of liability

7.1. 1w Token is provided on an “as is” and “as available” basis. The Company makes no guarantees or warranties, whether express or implied, including but not limited to fitness for a particular purpose, merchantability, non-infringement, title, or uninterrupted and error-free operation. You acknowledge that the 1w Token may not meet your expectations or requirements, and that its use may be subject to technical or operational limitations.

7.2. To the fullest extent permitted by applicable law, the Company, its affiliates, directors, employees, and contractors shall not be liable for any direct, indirect, incidental, consequential, or special damages arising from:

- the use, inability to use, or possession of 1w Token;
- failures or disruptions in any underlying blockchain or smart contract systems;
- regulatory actions, changes, or restrictions affecting the 1w Token;
- loss of wallet credentials, private keys, or 1w Tokens due to errors, hacks, fraud, or other third-party actions.

7.3. Under no circumstances shall the total liability of the Company for any claims arising from or related to 1w Token or these Terms exceed the amount contributed by you to receive the 1w Token.

7.4. By participating in the 1w Token sale, you agree not to hold the Company or its affiliates responsible for any losses or damages and waive the right to initiate class-action claims or arbitration related to the 1w Token.

8. Intellectual property

8.1. All materials provided on the Website, including but not limited to the 1w Token brand, visual designs, interface elements, text, graphics, software, and smart contract code, are either owned by the Company or properly licensed. These materials are protected under intellectual property and copyright laws.

8.2. You are granted a personal, limited, non-exclusive, and revocable right to access and use the Website. This access is solely for your own non-commercial purposes and must comply with these Terms.

8.3. You may not copy, distribute, modify, adapt, create derivative works, reverse engineer, decompile, or attempt to extract the source code of any part of the Website.

8.4. Any trademarks, logos, or branding elements may not be used without the Company's prior written approval.

8.5. The Website may include content, links, or software from third parties. All intellectual property rights for such content remain with the respective owners. The Company does not claim ownership of third-party materials and does not guarantee their accuracy, quality, or suitability.

9. Information on the Website

9.1. The Company makes reasonable efforts to provide accurate, reliable, and up-to-date information on the Website. However, you acknowledge that the Company does not guarantee the completeness, accuracy, or reliability of any content displayed. The Website may contain errors or omissions, and information may change without notice.

9.2. While the Company strives to maintain accurate content, it is under no obligation to update or correct information on the Website. You accept that any reliance on the Website's information is at your own risk.

10. Privacy

10.1. We prioritize data privacy and implement reasonable security measures to protect your information. By using the Website, you agree to our Privacy Policy, which is incorporated by reference into these Terms, and to comply with its provisions.

11. Inquiries and complaints

11.1. You can contact us regarding any questions, issues, or complaints related to 1w Token or the Website.

11.2. All inquiries or complaints should be submitted via our support communication channels.

11.3. We will make reasonable efforts to acknowledge receipt of your inquiry or complaint promptly and to resolve it as efficiently as possible.

11.4. While we aim to respond quickly, you acknowledge that resolution times may vary depending on the nature and complexity of the issue.

11.5. Submitting an inquiry or complaint does not create any additional rights beyond those stated in these Terms.

12. Miscellaneous

12.1. These Terms are governed by the laws of jurisdiction determined by the Company. Any disputes arising in connection with 1w Token or these Terms shall be exclusively resolved by the competent courts of jurisdiction determined by the Company.

12.2. These Terms constitute the full and complete agreement between you and the Company regarding 1w Token and the use of the Website, superseding any prior agreements, communications, or understandings.

12.3. You may not assign, transfer, or delegate any rights or obligations under these Terms without the prior written consent of the Company. These Terms are intended solely for the benefit of you and the Company and do not grant any rights to third parties.

12.4. If any provision of these Terms is found to be invalid or unenforceable, the remaining provisions will continue in full force and effect.

12.5. No failure or delay by the Company in exercising any right under these Terms will be considered a waiver of that right. A partial or single exercise of any right does not prevent further exercise of the same or any other right.

12.6. The Company reserves the right to adjust deployment environments, 1w Token allocation mechanisms, and operational parameters to align with evolving technical, security, and regulatory conditions. All adjustments will prioritize user security and the integrity of the system.
